SPECIAL FILMING CONDITIONS
HANCOCK PARK

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

- **FilmL.A., Inc. will evaluate all requests for permits in this area using the following criteria:** Frequency of filming per block near the requested location and parking areas – Duration and frequency of recent filming – Proximity of concurrent filming activities – Historical use – Recent problems or complaints – Number of filming days requested – Company size – Proposed activities (effects, excessive noise, cranes, etc.) – any other criteria that may be relevant to the specific situation. **NO PERMITS FOR THIS AREA SHOULD BE ASSUMED TO BE AVAILABLE WITHOUT THE ABOVE REVIEW.**

- The Permit Authority will exercise additional oversight in the review and evaluation of historically filmed areas to provide balance between the community and the industry. Evaluation may include counting any substantial prepping and striking activities as part of filming frequency and additional outreach and coordination with productions that have establish this area as a "reoccurring location".

- **Affected residents must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation**. Permit request must be submitted to FilmL.A. at least three (3) days in advance.

- **Filming in the Hancock Park (bounded by Highland Avenue, Melrose Avenue, Wilshire Boulevard and Rossmore Avenue) requires that notification be given to the representative of that Homeowners' Association.** The current contact is Erik Storey contacterikstorey@gmail.com (213) 500-8190.

- **Weekend and holiday filming is generally prohibited, unless significant support is obtained via the community survey process. The production company is responsible for submitting the required surveys and corresponding map to FilmL.A. at least 24 hours in advance of the first day of filming. This will provide necessary time to review the material and communicate to the production company the status of their request.**

- **A FilmL.A. Monitor will be assigned to encourage compliance with the permit and conditions.** The Monitor will generally arrive at the designated location 1 hour prior to the permit start time to note proper arrival time and remain with the production company during all filming-related activities and ensure proper departure time.

- **Personal vehicles of cast/crew are not permitted to park on area streets.** Off-site parking must be arranged by the production company and cast/crew must be shuttled to and from the location.

- **Parking of production equipment is limited to one side of the street.** Film company vehicles shall not interfere with gardeners' activities, safe use of the streets or access to resident driveways, unless approved by the affected residents. On trash pickup days the production company will ensure all trash cans are accessible by refuse personnel. **If trash pickup is missed the production company must make arrangements to have trash picked up at an alternative time.**

- **Sidewalks must be kept clear at all times.**

- **Craft service set ups, food preparation tables and dining tables are prohibited on sidewalks or parkways and must be out of public view.**
